

Hanging units

Range

Over 70 models to satisfy any need.

Functionality

Height 67 and 90 cm to fit with any type of furnishing.

Workshop sanitation

Detachable and removable shelves.

Accessibility

Open shelves with swing doors, sliding doors, with shelves, drawers, standard or perforated shelves, with dish drainers to exploit all the available space.

Active safety

Accurate finishing: no sheetmetals with sharp edges.

Reliability

Sturdy structure made entirely of stainless steel AISI 304 Cr.Ni. 18/10.
