

## Equipped tables

**Sanitation:** All internal components are detachable with smooth tops for easy cleaning, closed bottom for perfect isolation from ground.

**Active safety:** Accurate finishing: no sheetmetals with sharp edges.

**Reliability:** Sturdy structure made entirely of stainless steel AISI 304 Cr.Ni. 18/10.

### TABLE UNITS

**Range:** Over 200 models to satisfy any need.

**Functionality:** Work tops, current models, up to 380 cm.
