

Equipped refrigerated tables

“Banco Pizza” v80, by Castelli, is a 80 cm depth table equipped with a neutral chest of drawers; optionally furnished with: 7 std. drawers / 4 std. drawers / 1 jumbo drawer or 2 jumbo drawers and a doughball boxes (portapizza).

A refrigerating and airy base guarantees the preservation and integrity of the dough, optimising energy consumption.

A refrigerating window, 38 cm. depth, is available with different sets of basins on request.

Refrigerating windows design meet high level safety standard.
